Where does your card go?

A card needs an address so the postie knows where to take it.

How to find the address

For family

Ask Mum or Dad. They know where everyone lives.

For a friend

Ask Mum or Dad to help you find out.

See them a lot?

Give it to them yourself. No address needed!

Not sure?

Ask a grown-up to help.

What an address looks like

	Their address <u>Mr Carrot</u> <u>4 Veggie Patch Lane</u> <u>Pumpkin Hill</u> <u>Garden Town 1234</u>
---	---

Then post it

Pop a stamp in the box.
A grown-up can help you buy one.

Post it in a red post box.

Write it after Their address on the back of your card.

Grown-ups: always check a card before it goes in the post.
